2) [Tremolo]

3) text *accelerando* (to as fast as possible)

must be the circle of light can have m time

Soprano 3

mf

1) S

2) [Tremolo]

3)

start before light for am the won't I see a painting hold in vex time

Alto 1

mf

1) S

2) [Tremolo]

3)

the other did one go where time before time after time

Alto 2

mf

1) S

2) [Tremolo]

3)

SCORE PREVIEW ONLY

1) S indicates that the noted bar is staggered:
 - The entrance is staggered (singers enter within 5" of their cue meaning there will be overlap when switching to new ideas)
 - The material is performed at different times by each singer
 - The breathing is staggered (most relevant for drones)

2) The tremelo indicates that the written pitch is rearticulated numerous times on the given text (over and over), in varying rhythm and, unless otherwise noted, at a moderately fast speed.

3) The staff lines condensing into a single line indicates that the material notated in the previous bar should continue until the line ends.
